Dear Community Neighbor,

We, the LVCA, are sending this note to welcome **you and our new residents** to Lake View and re-introduce ourselves in the Lake View Community.

Please take a moment to review the enclosed **Pamphlet** showing how involved we are! We are requesting **your assistance and always welcome new volunteers** to help in any one of our many activities or attend one of our monthly meetings.

We appreciate that not everyone has the time or ability to volunteer. We also recognize you may have other responsibilities whether it be family, church and/or other community groups. If unable to volunteer at this time, please consider a **monetary donation**. We have included a return envelope and we hope your stamp will be part of your donation! Your donation helps our group to run the many activities that benefit the youth and adults in our community.

This will be the first time in memory we have reached out to you and rapidly expanding Hamlet for assistance!

Thank you for your consideration and time.

Jim Eberhardt, LVCA President
716-698-9436

P.S. Lake View is celebrating 150 years in 2018 and committees are being formed for the various activities we will plan. Our Past President, Julie Palmer is leading the organization of this event. For information please call Julie at 716-867-4057
